Mutations, Scars, and Fatigue ↑

Free Carry

COIN

Start: 2d6 × 10

Casting

Roll 2d6 and add one relevant Spell Tag. If you have no spell tags, roll with no bonus

Failed cast: No Exposure or Fatigue. Gain 1 Luck at end of turn.

Successful cast: Mark Exposure and detail the spells effect.

Every 10 Exposure: Gain a Mutation and clear your exposure tracker.

Double 1s: Wild Magic.

Double 6s: Gain or improve a related Tag that you were using while you mutated.

Casting Mutation: Gain or improve a related Tag. Maximum +3.

Aether Exposure

1 2 3 4 5 6 7 8 9 10

Luck

Cost	Buy
1	Add one die to your roll and keep the highest two.
1	Help another character: add 1d6 to their roll; they keep the highest two.
2	Play a flashback that can affect the present.
3	**Advance:** +1 Stat or Tag (max +3), +1 maximum Health, or gain a Perk.

Earn luck when you fail your roll.

Exposure cost

At 10: mutate, and clear

Magnitude	Example	Cost	Dmg
Tiny	Create a harmless spark at touching distance.	1	0
Small	Affects one creature for a few minutes.	2	1
Medium	Affects a group or a room of people for a few hours.	4	2
Large	Affects a building or group of buildings or for a few days.	6	3
Huge	A large area like a city or field is affected. Lasts for a few months.	8	4
Mythic	Permanently transform a whole building into a living creature.	10	8

Dice Basics

Total	Result
6 or less	Failure. It goes wrong. Resolve the failure, then gain 1 Luck.
7 to 9	Partial success. Your character does it, but there is a complication.
10 or more	Full success. Your character achieves what they intended.
Double 1s	Tragic failure. Gain 2 Luck.
Double 6s	Triple damage, ignore Armor.

Roll 2d6 + Stat. Casting uses one Spell Tag

Conditions: Mutations, Scars, Fatigue

- Conditions fill a slot.
- Death occurs when conditions fill all inventory slots.
- Fatigue blocks Health recovery.

Health recovery: Resting for 1 hour in a safe place regain 2d6 Health.

Full night: remove 1 Fatigue or regain all Health.

Failed Roll: The active player gains 1 Luck. The action does not go as planned.

Fighting

Your turn: 1 move and 1 action.

- **Melee:** Add Strength to dice roll.
- **Ranged:** Add Dexterity to dice roll.

Roll at least 2 dice, You or a teammate can spend luck to roll an extra dice to add to the roll.

Armor: If Armor blocks all incoming damage, it stays intact.

- If damage exceeds Armor, apply the remainder damange to health and Armor is broken.
- Taking damaging at 0 Health = 1 Scar.

Weapon Damage

Size	Example	Partial success	Full Success
Small	Pocketknife, sling stone, improvised club	1	2
Medium	Sword, spear, mace, bow, crossbow	2	4
Large	Greatsword, greataxe, heavy warhammer	3	6
Huge	Explosion, large projectile.	4	8
Mythic	Ballista bolt, cannonball, powerful bomb	8	16
